Adopted: April 15, 1992;

Released: May 1, 1992

Comment Date: June 22, 1992

Reply Comment Date: July 7, 1992

By the Acting Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Aleki Sene ("petitioner"), seeking the allotment of Channel 276C2 to Fagaitua, American Samoa, as that community's first local FM service. Petitioner states her intention to apply for the channel, if allotted.

2. We believe the public interest would be served by proposing the allotment of Channel 276C2 to Fagaitua, American Samoa, as that community's first local FM channel. Petitioner states that Fagaitua is located in the Eastern District of Sua County, with a population of 422 persons. Sua County has a population of 1,359 persons.¹ Channel 276C2 can be allotted to Fagaitua in compliance with the Commission's minimum distance separation requirements without the imposition of a site restriction.²

3. In view of the fact that Fagaitua, American Samoa, could receive its first local FM service the Commission believes it would be in the public interest to seek comments on the proposal to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the following community:

	Channel No.
City	Present
Fagaitua,	Proposed
American Samoa	-- 276C2

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particu-

An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding.
